

European Human Powered Boats Championships Regensburg / Bavaria 17.-19. June 2016

Dear Waterbikers,

we are happy to announce that the HPV and HPB Championships will be held again!

After two years without races we come together in June at Regensburg, Bavaria for European Championships.

Place of the regatta will be the river Danube which has at the western part of the town very low current, that means the location is suitable for all type of boats and perfect races.

Venue with registration, camping area, boat landing and food and beverages will be the rowing club "Ruderverein", there are as well few places for Caravans, please book for Caravans as soon as possible!

Participant fee is € 15,- / Person including camping ground, shower/toilets and food/beverages(partly).

Registration and further questions via e-mail to (ulrich.kraus@dnvgl.com) without formal requirements.

Preliminary timetable:

- Friday, 17.06.: Come together and assembling of your boat(s)
- Saturday, 18.06.: 100m Sprint, Slalom, Forward-Stop-Backward, Long-Distance
- Sunday, 19.06.: Acceleration, Bollard-Pull, at Lunchtime awards and disassembling

Further and more detailed information's you will find at www.waterbiking.org, the page will be updated continuously.

The location of this year offers races at an interesting and historical town (World Heritage Site) which is perfect for sightseeing, the place of the races is amid a local recreation area, a pleasure bath is as well located nearby.

I hope for a lot of boats and competitors from whole Europe!

Yours
Ulrich Kraus
